Baked Craft Clay

Ingredients

4 cups flour
1 cup salt
1 1/2 cups water
2 tablespoons vegetable oil
Food coloring
1 egg, beaten

Method

Mix together and knead until smooth. Separate into parts and add a few drops of different colors of food coloring. Make shapes and brush egg over the top. Put shapes on a cookie sheet and bake in the oven at 300F degrees for about one hour until the clay is golden. Seal with shellac to make shiny. Paint them for fun.
